I Am

Reading

the series that's just right for newly independent readers

"Books in the I Am Reading series help children move effectively from beginning readers to chapter books. The books have all the features that will help readers successfully make that transition to the longer books and help them become lifelong readers."

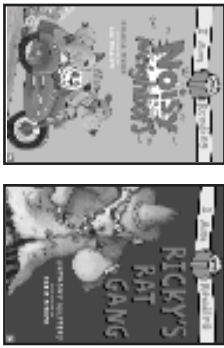

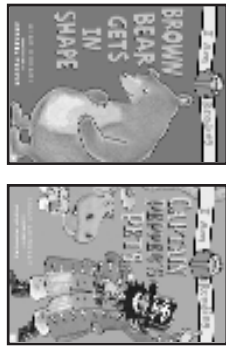

—Carole Fiore, library consultant and past president of the Association for Library Service to Children

"Each book develops a significant, community-building theme such as friendship, cooperation, and teamwork."

—Myra Zarnowski, Professor of Elementary and Early Childhood Education, Queens College, CUNY

"These books are great. I just want to read more of them." —Ellen Mahoney, age 7
